Good afternoon,

I hope you are all having a great Thursday.

On behalf of the entire admissions team, I would like to thank you for taking some time to assist us with our event this past Saturday. We hope you found the time with our prospective students and their families to be valuable.

Our prospective students and families had nothing but positive comments to say regarding your part of the day. Of course we are always looking for ways to improve our program. If you have any thoughts, suggestions or comments on how we can better support our students during this part of the day, please feel free to let me know.

Thanks again and have a great rest of your week and a wonderful weekend!

Best wishes,

Maynard
