INSTRUCTIONAL MATERIALS

No book required. Reading materials will be provided.

ORANGE CONNECT

Orange Connect is an online student engagement tool used to connect students to faculty, staff, and support services across campus. Instructors may provide feedback in Orange Connect that will help the student and advisor/pathway coach understand how a student is doing in a class, so that support can be provided if needed to facilitate student success. Please check your mySUNYOrange, email, and log into Orange Connect daily. To access Orange Connect, log into your MySUNYOrange and click the Orange Connect option next to your Gmail. Make sure to check it daily. Students should be sure to open any emails they receive from Orange Connect and follow the recommendations. Instructors may also recommend students to contact a specific campus resource. If an instructor makes a referral, students may also be contacted directly by this campus service. Additionally, through Orange Connect students can sign-up for individualized tutoring and pathway coach appointments and can access support throughout the campus "raise your hand" feature and services on the students Orange Connect home page.

ATTENDANCE POLICY

Since this is an image-based curriculum and image identification takes place during class meetings, students are expected to attend class regularly. Excessive absence without discussion with the professor or written verification of illness, etc., will result in a reduction of the student's grade. More than two absences will be considered excessive. In the event of excessive absence from class, the student's final grade will be lowered by one half-letter grade per absence. Further, when a student is absent from class it is the student's responsibility to obtain class notes and handouts from a classmate. Students may be withdrawn from a course for excessive absence. Students may be absent for religious observance without penalty; however, arrangements to make up missing work, examinations, etc. must be made with the instructor in advance. If illness, accident, or similar circumstances make it impossible for a student to attend three or more classes, it is the student's responsibility to notify the Office of Records and Registration at once and to contact the instructor to make up missed work and discuss penalties.

Instructors shall not penalize students for absences for religious observance, military obligations or jury duty. You should inform the instructor when you anticipate an absence for any of these reasons so that arrangements can be made for make-up examinations or other work.

TARDINESS

Arriving late to class is disruptive. Classes begin promptly on time do not be late. Students who are late will be marked absent. Excessive absences will result in grade reduction of one letter grade.

OFFICIAL WITHDRAWAL FROM A COURSE

When a student finds it necessary to withdraw from one or more courses, they must submit an Add/Drop Form with appropriate signatures by the end of the 12th week or its equivalent (see Registration Calendar). A student who officially withdraws from a course between the 4th and 12th weeks or their equivalent will have the course appear on his/her transcript with a grade of W. For more information, visit <https://sunyorange.edu/registrar/index.html> or email: registrar@sunyorange.edu
