

Admissions Open House Thank you.

Tue, Nov 7

Schmidt, Maynard

Good morning,

I hope you are all having a great Tuesday morning thus far.

On behalf of the entire admissions team, I would like to thank you all for participating in our Middletown Open House this Saturday. Our event saw 50 families attend with over 150 people on campus. We hope you found your time with our guests valuable.

In an effort to improve our services, our admissions team would like to solicit feedback regarding how we can improve our program. One take away from this weekend is that we need to adjust the time between our admissions & financial aid presentations and the Academic & Student Services Fair. We would like to apologize for the delay of getting our guests to you.

Thanks again for attending and we appreciate all the support you provide to us and to our students.

Best wishes,

Maynard
